

GFM - crankshaft milling machine

Manufacturer: **GFM**

Type: **GFM**

Parameters: **d680 x 2600/3400 mm**

Description:

GFM make

- workpiece diameter d680
- max workpiece length 3400 mm
- max working lengths 2600 mm
- with discs (d1100 mm)
- required electric capacity 60 kW/h
- under power, in use
