

FINN-POWER - A 5 F - 2002

Manufacturer: **FINN-POWER**

Type: **A 5 F**

Year of manufacturing: **2002**

Parameters: **23 t, 1250x2500+ mm**

Description:

- system: FANUC 16iPA
- pressing capacity: 23 t (230 kN)
- number of tools: 20 (indexing tools 4)
- tools in turret: 16 + 1x MULTITool + 1x C + 2x B
- max punch diameter 89 mm
- table dimensions: 1250x2500 mm
- max sheet weight: 200 kg
- moves X/Y: 2584/1317 mm
- less used, preserved condition
- 8000 working hours
- used mainly for 1-2 mm stainless steel and AL sheets
- 100-200 pcs of tools
- weight: 10400 kg
- under power, can be inspected in running condition
- used condition as showed on photos
